Village of Oblong, County of Crawford, State of Illinois

Resolution No. #2014-R-1

A Resolution Authorizing the Execution of a Law Enforcement Mutual Aid Agreement and the Existence and Formation of the Illinois Law Enforcement Alarm System by Intergovernmental Cooperation.

Whereas the Village of Oblong, County of Crawford, of the State of Illinois (hereinafter "Municipality") is a Municipality of the State Of Illinois and duly constituted public agency of the State of Illinois, and;

Whereas the Municipality, as a public agency of the State of Illinois, is authorized and empowered by the Constitution of the State of Illinois (Ill. Const. Art. § 10) and the Illinois Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) to enter into intergovernmental agreements with other public agencies on matters of mutual concern and interest such as the provision of adequate law enforcement personnel and resources for the protection of residents and property falling within the jurisdiction of the Municipality, and;

Whereas the Municipality recognizes that certain natural or man-made occurrences may result in emergencies or disasters that exceed the resources, equipment and/or law enforcement personnel of a single given public agency, and;

Whereas, a given public agency can, by entering into a mutual aid agreement for law enforcement services and resources, effectively provide a broader range and more plentiful amount of law enforcement capability for the citizenry which it serves, and;

Whereas, in order to have an effective mutual aid agreement for law enforcement resources and services, this Municipality recognizes it must be prepared to come to the aid of other public agencies in their respective times of need due to emergencies or disasters, and;

Whereas, this Municipality recognizes the need for our specific Municipality to develop an effective mutual aid agreement for law enforcement services and resources upon which it may call upon in its time of need and is prepared to enter into a mutual aid agreement for law enforcement services and resources with other like-minded public agencies, and;

Whereas, this Municipality also recognizes the need for the existence of a public agency, formed by an intergovernmental agreement between two or more public agencies, which can serve to coordinate and facilitate the provision of law enforcement mutual aid between signatory public agencies to a mutual aid agreement for law enforcement services and resources, and;

Whereas, this Municipality has been provided with a certain "Law Enforcement Mutual Aid Agreement" which has been reviewed by the elected officials of this Municipality and which other public agencies in the State of Illinois are prepared to execute, in conjunction with this Municipality, in order to provide and receive law enforcement mutual aid services as set forth in the "Law Enforcement Mutual Aid Agreement," and;

Whereas, it is the anticipation and intention of this Municipality that this "Law Enforcement Mutual Aid Agreement" will be executed in counterparts as other public agencies choose to enter into the "Law Enforcement Mutual Aid Agreement" and strength the number of signatory public agencies and resources available from those public agencies, and;

Whereas, it is the anticipation and intent of this Municipality that the "Law Enforcement Mutual Aid Agreement" will continue to garner support and acceptance from other currently unidentified public agencies who will enter into the "Law Enforcement Mutual Aid Agreement" over time and be considered as if all signatory public agencies to the "Law Enforcement Mutual Aid Agreement" had executed the "Law Enforcement Mutual Aid Agreement" at the same time,

Now, therefore, be it resolved by this Municipality as follows:

- This Resolution shall be known as, and may hereafter be referred to as, the Resolution Authorizing the Execution of a Law Enforcement Mutual Aid Agreement and the Existence and Formation of the Illinois Law Enforcement Alarm System by Intergovernmental Cooperation.
- 2. The Resolution Authorizing the Execution of a Law Enforcement Mutual Aid Agreement and the Existence and Formation of the Illinois Law Enforcement Alarm System by Intergovernmental Cooperation shall be, and hereby is, enacted as follows:
 - a. Authorization to enter into a Certain Agreement. The <u>Oblong Police</u> <u>Chief Chad Pusey</u> of this Municipality is hereby authorized to sign, execute and deliver the agreement known as the "Law Enforcement Mutual Aid Agreement" and thereby enter into an intergovernmental agreement with such other public agencies of the State of Illinois as are likewise willing to enter into said "Law Enforcement Mutual Aid Agreement" and recognize the existence and formation of the Illinois Law Enforcement Alarm System as set forth in the said "Law Enforcement Mutual Aid Agreement".
 - b. Savings Clause. If any section, paragraph, clause or provision of this, Resolution shall be held invalid, the invalidity thereof shall not affect any of the provisions of this Resolution.

c. Effective Date. This Resolution shall be in full force and effect from and after its passage, approval and publication as provided by law.

RESOLUTION 2015-R-1 URGING THE GOVERNOR AND GENERAL ASSEMBLY TO PROTECT FULL FUNDING OF LOCAL GOVERNMENT DISTRIBUTIVE FUND REVENUES

WHEREAS, municipalities are front-line providers of government services to citizens and these services include police and fire protection, parks, infrastructure, water, sewer and utility services, and snow removal; and

WHEREAS the State of Illinois has a long-standing tradition of collecting tax revenues on behalf of municipal governments and municipalities have relied on shared income tax revenue to provide services to taxpayers; and

WHEREAS, municipalities have fewer options to raise significant revenue and rely on the full amount of revenue that the State collects on their behalf in order to fund the essential quality-oflife services expected and relied upon by community residents; and

WHEREAS, the General Assembly increased the State income tax without providing any of the new revenues to municipalities and this loss of revenue has left the municipal share at levels collected during the Great Recession; and

WHEREAS, the Governor proposed a 50 percent reduction in the local share of the income tax during his FY2016 Budget Address, reducing local revenues by over \$600 million; and

WHEREAS, the loss of this state-shared income tax revenue would result in elimination of countless jobs, local tax increases, program and service cuts, and could increase debt burdens that would be felt by all citizens.

WHEREAS, the VILLAGE of OBLONG would lose \$72,567.00); and

NOW, THEREFORE, BE IT RESOLVED that the VILLAGE of OBLONG urges the Governor and the General Assembly to protect full funding of the Local Government Distributive Fund and other revenue sources that allow local governments to provide for the health, safety and general welfare of their residents.
